

Instant Connection of 2 up to 4 hydraulic or electric lines

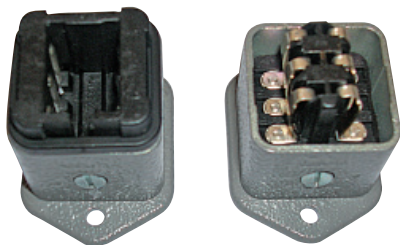

Hydraulic specification

Type	NS
Size	1/2"
Quantity	2 to 4
Operating Flow	50 L/min
Operating Pressure	350 bar
Pressure Drop	2.50 bar
End Termination	M 22x150
Fitting	Female
O'ring	NBR / Viton

Electric specification

Number of contacts	6
Operating Intensity	10A max
Operating Voltage	25V/60V
Temperature range	-40°C +100°C
Treatment	Copper silver-alloy
Fitting	To screw
